

Terms and Conditions

1. Introduction

These AIScience s.r.o. ("we," "us") Terms and Conditions ("Terms") govern your engagement with our AI language learning platform (referred to as the "Service"). By accessing the Service, you're agreeing to adhere to these Terms. Should you not concur with any section of these Terms, kindly cease using the Service immediately.

2. Service Offered

AIScience s.r.o. provides an AI-driven language platform to help users learn languages through engaging and automated methods. This Service is primarily geared for personal usage and doesn't cater to educators, educational institutions, or businesses.

3. Account Registration

To access the Service, registration of an account is necessary. It is vital to keep your account details accurate and current. You bear responsibility for the confidentiality of your credentials and any activities carried out under your account.

4. Purchasing and Transactions

The Service can be accessed through various products. By selecting a product, you consent to pay the corresponding fees. Payments are processed via credit or debit methods, and fees are non-refundable barring legal stipulations. We may revise charges, and continued usage after modifications implies acceptance of new fees.

5. Authorized Usage

You pledge to use the Service solely for legal purposes, observing these Terms. Use of the Service for unauthorized or illicit activities is prohibited.

7. Intellectual Property

All content and ancillary materials available through the Service are owned by AIScience s.r.o. or its licensors and are protected by intellectual property laws. We offer you a limited, revocable license for personal use. Copying, altering, or distribution of any content without prior written authorization is forbidden.

8. Data Management and Protection

Our Privacy Policy outlines the collection, usage, and protection of your personal data. By utilizing this Service, you consent to the data practices detailed therein. Despite employing robust security measures, no data transmission over the internet is entirely secure.

9. Service Termination

We reserve the authority to suspend or terminate your access to the Service if there's a breach of these Terms, or if your usage of the Service presents harm to us or other users. Upon termination, access ceases immediately, and any account-related data might be purged.

10. Liability Limitations

The Service is delivered "as is" and "as available", without any express or implied warranties. You acknowledge that your usage is at your own risk. AIScience s.r.o. is not liable for indirect or consequential damages resulting from your usage of the Service.

11. Jurisdiction

These Terms are administered and interpreted according to EU laws. Any disputes related to these Terms or the Service fall under the exclusive jurisdiction of the courts where the company is established.

12. Modifications

These Terms may undergo updates occasionally. Notable changes will be announced via our site. Continuing to use the Service post such updates signifies acceptance of the revised Terms.

13. Contact Information

For any inquiries or issues concerning these Terms, please reach out to us at:
